

THE Inaugural WOUNDEd Conference 2019

Advancing Practice in Woundcare

Presented on Board

Royal Caribbean International
VOYAGER of the SEAS

9-Night Cruise to the South Pacific
3-12 DECEMBER 2019

Join your peers on board Voyager of the Seas for our Inaugural WOUNDEd Conference, presented as you cruise to the beautiful South Pacific Islands

Injury prevention and wound-related knowledge and practice continues to evolve at an ever-increasing pace. Regardless of our experience journey, meeting the unique needs of those in our care can be challenging. Wound-specific theory and skills acquisition opportunities can keep us up-to-date and guide best practice delivery.

This inaugural educational event (20 CPD hours), will examine emerging theories, perspectives and innovative technologies from around the globe, providing a unique experience to share, learn and grow together. Blended learning with hands-on workshops delivered in relaxed and friendly surrounds, make this an educational event not to be missed.
