

THE DETERIORATING PATIENT

Detection, Assessment and Treatment

Presented on Board

Royal Caribbean International

7-Night Cruise to the South Pacific

OVATION OF THE SEAS

22 - 29 FEBRUARY 2020

Cruise to the South Pacific for 7 nights on board Ovation of the Seas while participating in our workshop: The Deteriorating Patient: Detection, Assessment and Treatment.

This invaluable workshop is recommended for **Nurses, Paramedics** and **General Practitioners** and provides the participant with the required knowledge and skills to manage a potentially deteriorating patient. Education sessions include **interactive presentations, simulations** and **case studies**.

Presented by

Dr Merrin Thanopoulos MBBS (Hons1)

Kate Pywell BN (ACU)

Also included is a BLS/CPR session which covers all the **RACGP requirements** for a CPR course and also the **mandatory annual BLS requirements** for hospital-based health care professionals.

Education Sessions Include:

- Between The Flags
- Delirium
- Shock
- Sepsis
- Acute Stroke
- Anaphylaxis
- Blood Gas Interpretation
- Deteriorating Patient Scenarios
- Case Studies: Coroner's Court

16 CPD
HOURS!
